

REMARKS

The present amendment to the title is made to correlate same with the pending claims.

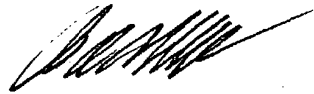

Amendment to the specification is made to relate the present divisional application to the parent application.

Amendment to the claims is made to cancel duplicate claims now allowed in the parent application and to further define the invention in accordance with description thereof appearing in the original application, no new matter is introduced.

A copy of U.S. Patent No. 6,409,508 B1 issuing after the filing of the present application on March 12, 2002, is enclosed for the Examiner's reference.

In view of the present amendment, allowance of the present application is respectfully requested.

Respectfully submitted,

Walter A. Hackler, Reg. No. 27,792
Attorney of Record
